The CarFinancePro Difference

Who We Are

CarFinancePro has a Canada wide network that wants to put you behind the wheel. Unlike the typical car buying experience, ConsumerAuto makes it as simple as possible.

Online Application

Complete our easy 2 minute online application from the comfort of your own home. You will receive confirmation of your financing options without a trip to the dealer.

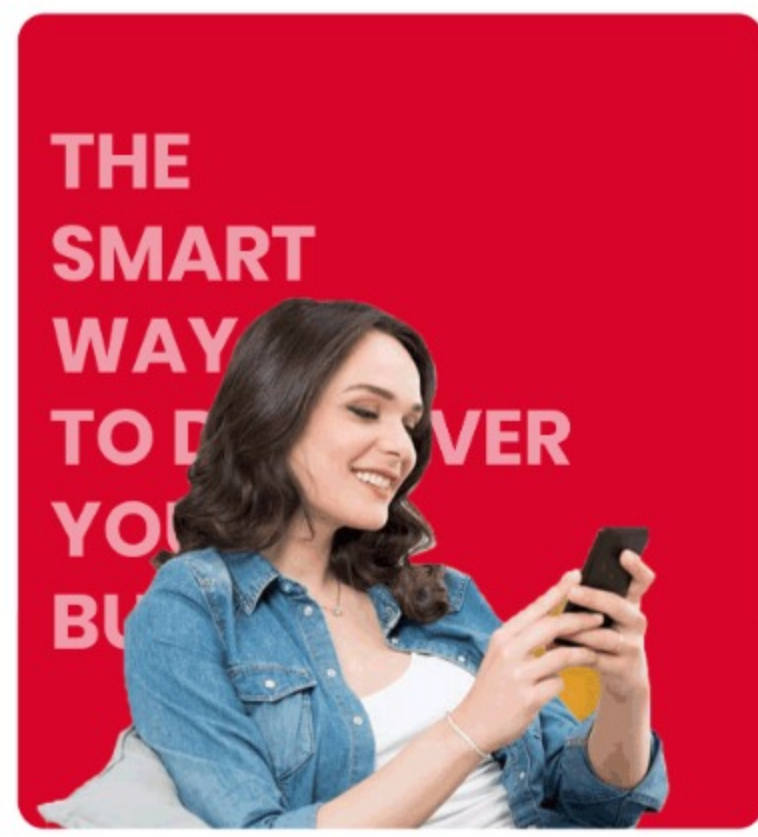

Buying Experience

CarFinancePro focuses on making the car buying experience as effortless as possible. You can buy your next vehicle over text messaging, email, or a call from one of our experienced Finance Managers.

The Smart Way to Buying a Car.

Taking over the shopping experience in your car. Get a car loan approved and find your dream car, in less than 2 minutes.

STEP 1

Budget Analysis

The first step is to discover what your real budget is. In other words, what you will really get when you get accepted. This is done when you complete our application online.

STEP 2

Funding Approval

We will work to get you the best possible acceptance opportunity once we have your submission. This helps you to see which vehicles you can apply for in our vast inventory.

STEP 3

Vehicle Selection

We will present a range of vehicles for which you are already qualified. You only choose the one you want to deliver to your door right away. No time wasted or fear of refusal anymore!

Why We Are Different?

We know this is not the traditional method to purchase a car. But the traditional way has some serious faults and it is outdated.

Shopping for conventional vehicles

❶ Consumption of time

Spend hours or days looking at vehicles without understanding what funding you will get

❷ Ineffective

Trips to many dealerships, salespersons negotiations and bank appointments will create a lot of needless tension in the process.

❸ Possible denial

There is nothing else than finding a car you want all the time to find out that you just can't get a loan to purchase it.
